WELCOME TO THE HOUSE OF KIMORA!

Kimora House Song

Standing high upon a hilltop is our home so dear,
We will not forget the friendships that we've all made here.
In Kimora we have found a family kind and true,
And we've found that Kimora ladies help and love us too.
We'll remember our house Kimora, we'll remember when we're afar,
And the ties that have always bound us,
Will reach us where'er we are.
We'll remember the fun and laughter and also the sighs and tears,
For the friendships that we've made in Kimora will last us
throughout the years.

A TRIBUTE TO NEWELL YATES

With the passing of Newell Yates, the college has lost a dedicated and well-respected member of the Graceland family. To students he was a friend and able adviser, to faculty and staff a valued associate, and to the leadership a loyal and totally committed member of the administrative team.

For Newell his life was caught up in the life of the students. Time was not a concern if he could help solve a personal problem, and no one found greater joy in the successes of our young people. He was kind but firm, knowledgeable

but always searching for a better way, loyal but willing to question a decision or policy if he felt it was not in the best interests of students. He had the natural attributes to be a most successful Dean of Students.

We will all miss Newell, but we should remember the legacy he has left us. Many of his ideas which have become practices of the college shall continue to testify of his very significant contribution to this college.

As President I shall dearly miss him, but I shall be ever grateful for having known him and having shared with him in providing leadership to this institution he loved so much.
